WINERY NOTES

Our Selección range is characterized by a respect for the natural fruit character of the varietals and an elegant approachability to the wines.

FOOD PAIRING

An ideal pairing for fresh fish and sunny summer evenings. Appetizers, salmon carpaccio and salads with white cheese.

VINIFICATION

One hour skin contact before pressing. Fermentation between 14°C to 15°C in stainless steel tanks. Unoaked.

WINEMAKER'S NOTES

Pale pink hue. Citrus and acidity is prolonged. The palate is dry with medium acidity. Soft mineral notes are a result of the fruit that comes from the Maule cordillera in the Central Valley.
